

ONTILITY is committed to the solar market and solar industry development. Learn Solar through our professional training. Buy Solar from our stocking warehouse of superior products at competitive prices. Accelerate Your Solar Business and Projects with our full range of partner and project support services Including engineering and design consulting, due diligence and financial support, construction management, custom training and educational consulting. ONTILITY brings you best-in class solar training, solar products distribution, solar solutions and solar project support.

## Solar Training

- Entry Level & Electrician Solar Electric Training
- Advanced PV Design
- PV Technical Sales
- Solar Sales and Finance
- Solar Thermal Classes
- NABCEP Certified Installer Exam Prep
- Manufacturer Trainings, Webinars & Workshops

## Solar Products

- Solar Modules
- Inverters
- Mounting and Hardware
- BOS (Balance of Systems)
- Solar Thermal Systems
- Site Design, Audit, Testing, Educational & Safety Tools
- EV Charging Stations / Pool Pumps

## Solar Support Services

- Design and Engineering Support
- Project Support & Permitting Assistance
- Project Management and Supervision
- Finance Assistance
- Residential Solar Leasing Program
- Collateral and Website Marketing Support

## Solar Commercial Services

- Large Scale Capabilities for Public and Private Sectors
- EPC Services that Provide End-to-end Solar Project Support
- Turnkey Solar and Greenovation Projects
- Corporate Solar, Energy Efficiency & Green Training
- Commercial Energy and Building Audit Services
- Commercial Financing Solutions

In just over two years, ONTILITY has grown from a start up to an 80M Solar Distribution, Solar Training and Solar Projects leader. ONTILITY supplies top quality PV panels, inverters, mounting hardware and other solar products to over 1500 solar integrators and other qualified solar contracting firms. Additionally, ONTILITY is one of the nation's largest solar training organizations, recognized by NABCEP, DOE and IREC. To complement its distribution and training divisions, ONTILITY offers a full portfolio of solar solutions and support services that total more than 100MW annually. ONTILITY is one of the largest solar players in the U.S. with a leading market share in most of the top solar markets.

## ONTILITY Manufacturers

### Solar PV Modules

Canadian Solar  
Kyocera  
Sanyo  
SunTech  
Schuco  
SolarWorld  
Scheuten  
Lumeta  
Jinko  
Suniva  
Yingli  
GreenRay  
Schott  
Xunlight  
Q-Cells  
SoloPower  
Uni-Solar  
MEMC / SunEdison

### Inverters

SMA  
Advanced Energy (PV Powered)  
Fronius  
Solectria  
Schneider (Xantrex)  
Siemens  
Enphase  
Enecsys  
Power-One  
Outback  
Satcon

### Solar Attic Fans

Attic Breeze

### Off-Grid SPS Solutions

Alpha

### Mounting & Racking

UNIRAC  
ProSolar  
Cooper B-Line  
Zep Solar  
DPW Solar  
QuickMount PV  
EcoFasten  
Schuco  
S-5!  
Schletter  
Iron Rldge  
Wattsun  
Legrand

### Balance of Systems (BOS)

Square-D  
SolarBOS  
Wiley Electronics LLC  
Amphenol  
Multi-Contact  
Trojan Battery  
Tyco Electronics  
Blue Oak  
Solardeck  
Morningstar  
Delta  
SolarDock  
US Wire & Cables  
Solar Magic  
Apollo Solar  
Cooper Crouse-Hinds  
MidNite Solar  
MK Battery  
ADCO

### Solar Water Pumps & Solar Pool Heaters

Grundfos  
SHURflo  
Monoflow  
BlueScope  
SunPumps  
WISY

### Solar Lighting

Ringdale  
SolarPath  
GE Lighting  
Cooper

### Controls & Monitoring

Tigo  
DECK Monitoring  
TED (The Energy Detective)  
GE Smarthome  
SmartCool  
Powerhouse Dynamics  
Cisco  
Zigbee  
Fat Spaniel

### EV Charging Stations

GE EV Charging Stations

### Small Wind

Energy Ball  
Southwest Wind  
Hummingbird  
Kestrel

### Site, Safety, Sales & Design Tools

GEMTOR  
Solar Pathfinder  
APEX  
Solmetric  
Leica-Disto  
ONTILITY Pro

### RESNET Rater Kits

Retrotec  
TESTO  
Minneapolis Blower Door  
The Energy Conservatory (TEC)
